Dear Parents, Guardians and Members of the BGSD Learning Community:

You are invited to attend our Transition Information Night at ÉSCBHS on Thursday, May 16th - 6:00pm - 8:30pm.

This event is to support students who will receive a K&E Certificate of Achievement, or a Certificate of Achievement. These students may need extra support transitioning from high school into adulthood, from agencies such as AISH, PDD, etc. There will also be some post-secondary schools available to answer questions about transition programs at the post-secondary level.

This is an informal event with booths set up around our atrium for each agency, allowing you to connect with those that you may have questions for.

This Information Night will feature: AISH, Leduc LINX, Leduc Community Living Association, Olds College and others.

Our hope is that this Transition Information Night will help increase parent/guardian/educator understanding about transitioning our inclusive education students through the education system and beyond.

If you have any questions or suggestions, please feel free to contact me.

Thank you,

Nicole Liddle
