 - b. Options for updating Bylaws/ Operating Procedures: Two evenings of 3 hours or one full day of 6 hours on a weekend and get it all done at once. Being done together with an ASCA rep. Going to use our grant money for this. We could also do one set of bylaws this year (council) and PAA next year. Erin will talk with ASCA and find out if we can do it this way. We will most likely do this sometime in April or May. We talked that two evenings of 3 hours would be better than a full day of 6 hours.
 - c. Discuss Goals of School Council
 - Increase parent engagement (get parents to write letters to the city in support of a school resource officer)
 - d. School resource officer
 - Have applied to the city for a school resource officer (RCMP)
 - Cost is \$150,000
 - This has been denied for this year, but we don't know yet if there is a possibility for next year.
