2026 Beaumont–Nisku Christmas Elves Campaign 🎄✨

The Beaumont–Nisku Christmas Elves are once again spreading holiday cheer! This annual community program provides food hampers and gifts for local families in need.

How you can help:

- If you are buying for your child in the K-6 grade levels, consider donating toys, socks, mitts, hats, PJs, books, crafts, games, puzzles *(NOTE: donated items must be new)*
- If you are buying for your tween/teen in the grades 7-12 levels, consider donating personal hygiene items (shampoo, conditioner, body wash, deodorant, shaving supplies, toothbrushes, toothpaste, feminine hygiene products,etc.) make-up and hair care products, $25.00 fast food gift cards, LEGO kits, craft kits, other gifts for teens.
- Make a cash or online donation to your student's school so that leadership groups can purchase items on your behalf.
- Buy 50/50 raffle tickets
- Shop from home for most needed items using our Amazon Wishlist
- Adopt A Family and purchase all of the items that would go into their toy and/or food hampers.
- Share information with anyone who may benefit from a Christmas hamper. Families must self refer through FCSS - Family and Community Support Services

Donation deadline: Dec.16th

Together, we can make the holidays brighter for everyone!
