6. Treasurer Report
 - UPDATE: We need a separate account for every type of AGLC incoming of funds and each account is strongly recommended to be named as such: Raffle, Casino, etc.
 - Update to regulations from AGLC:
 - As per representative of AGLC the rules regarding casino funds are that all casino dollars must have a dedicated account. I clarified

with the rep that this was changed in 2018. Due to frequent changes in the committee members we have not made this change. As an example, our raffle funds would be deposited after all payouts have been made or simply put, only proceeds from the raffle would be deposited into the gaming or casino account for funding the PAA needs.

- Action item from this is that we need to set up an additional non-gaming PAA account for all other deposits.
- UPDATE: We don't need a different account, we just needed to change the nickname of the account on our statements

-

7. Fundraising Report

8. Old Business

UPDATE: Erin requested Thursday April 16th or May 14th for ASCA to come in to help us with our policies and procedures for SCHOOL COUNCIL. PAA can wait until late fall/ early winter 2026.

Waiting on a response from ASCA about those dates with the preferred date May 14th 2026

- a. Options for updating Bylaws/ Operating Procedures: Two evenings of 3 hours or one full day of 6 hours on a weekend and get it all done at once. Being done together with an ASCA rep. Might use our grant money for this. We could also do one set of bylaws this year (council) and PAA next year. Discussion about doing two 3 hour evenings rather than a full 6 hour day. Not sure if we'll do this this year or next year.
