- Double Days are two days at the end of the semester when we alter the school schedule to accommodate written final exams in our non-diploma Humanities classes (English Language Arts, French Language Arts and Social Studies).
- June 3, we will be running block 1 classes all morning and block 3 classes all afternoon.
- June 5, we will be running block 2 classes all morning and block 4 classes all afternoon.
- Students in other classes will be participating in regular classroom activities during these extended blocks.
