Peacocke's Principal Points for Parents

Volume 9, January 14, 2019

Garbage Eaters Rockin' the Gym

Bandits Sr. Boys Basketball Tournament

Thanks to Mr. McIntyre, Mr. Tschritter for their time and efforts in organizing another successful tournament! Thanks as well to Mr. Gerhardt and the JV boys for working the score tables and thanks to all other staff members who helped and to anyone who came out to watch some games. As always, the tournament opener was a great way to kick off the tournament with so many spectators and with the band adding so much! AWe are looking forward some exciting basketball action in the new year.

Les Marionnettes

Felicitations to M. Lacroix and M. Halun and the French Band once again for their performances at this year's Deep Freeze on Sunday. These authentique cultural experiences and opportunities that M. Lacroix and M. Halun provide for our students continue to have a profound impact on their French Language acquisition. Bravo a tous!

Final exams reminders for students - please review these with your child

As final exams approach, students will need to remember some key information:

1. Make sure you check the final exam schedule so you know when your exams are
 - a. If you have an exam conflict, please see Ms. MacArthur right away to make alternate arrangements
2. All students are asked to bring photo ID to place on their desk to help make taking attendance more efficient and to enhance exam security
3. Students are asked to leave all electronics, cell phones, smart watches, backpacks and jackets in their lockers.
 - a. Students are advised to bring a sweater/sweatshirt/hoodie in case the exam room is cool
4. Students will only be allowed to bring clear water bottles for drinking liquids
5. All students must remain in the examination room for a minimum of one hour
6. Please return textbooks and library materials to the Learning Commons as soon as you are finished with them so they can be processed for semester 2 distribution
7. Now that students have extra time to complete their exams, they are allowed to bring food, but please bring sensible amounts and be aware of the following:
 - i. Please use clear plastic containers or bags only
 - ii. Students need to be conscious of allergies. Students will not be permitted to eat if some is allergic to the food

Chromebooks message to students

Here is a message I have shared with our students regarding our inventory of Chromebooks:

I am asking that you please make sure you do not take for granted the resources you have provided for you here in our school. Please remember that you are extremely fortunate to have the access to technology that you currently do and the increase in abuse of Chromebooks is very concerning. The chromebooks we have that allow you to do much of your school work are shared by all students, and when they are damaged and out of commission, it means student access to this technology is negatively impacted. If you have been tampering with Chromebooks, you need to give some serious reflection on your selfish actions and stop, but if you observe someone else damaging school property, please stop them or advise a staff member.

Accountability Pillar survey upcoming in February

In the new year, our Grade 10 students and parents will be asked to complete the annual government survey known as the Accountability Pillar Survey focusing on various aspects of our school. We make arrangements for students to complete the surveys at school, but we ask that parents please keep an eye out for this survey as we value your perspectives on how our school is performing. We will share more information as the dates for the survey approach.

MyPass reminder

All students should be getting registered on MyPass which allows you to see your course information and, ultimately, your diploma exam marks.

Grade 12's in particular need to ensure they have their MyPass accounts set up prior to February in order to be able to access Diploma Exam results. Alberta Education will send notifications in January however students can initiate the process themselves by going to MyPass.alberta.ca and following instructions but you must use an email address other than your blackgold address as it expires at the end of June.

Thanks for reading!

I hope you have found this week's message informative and that it gives you a sense of the many great things going on in our school. I always welcome your feedback, so feel free to email me at chris.peacocke@blackgold.ca

Sincerely,

Mr. Peacocke
