- ESBCHS would like to express its sincere gratitude to all members of this School Council! Your moral and financial support has been amazing. The Staff appreciation luncheon was incredibly tasty and very much appreciated. As well, your support with grad and helping to fund the Chris Gray assembly was super valued. THANK YOU!
- The grad advisory committee would like to pass along their gratitude for your support this year! Parent Council's financial and volunteer commitment has helped us plan a wonderful celebration for Class of 2024! Planning continues to move along rapidly; June will be busy!!
- May has been such a busy month teeming with sports, club activities, and school spirit events. Our athletes have been competing in soccer, handball, track and field, badminton, slo pitch, rugby, football start up, dodge ball intramurals, Provincial qualifying one-acts, food fundraisers for SAPP, Art Beat, outdoor ed trips to Rocky Mountain House, Mental Health Week and guest speaker Chris Gray, Skills competitions in welding and Graphic Design, Red Dress Day, Hats on For Mental Health, displays and events to celebrate Ramadan, and way way more! It is amazing how many events occur in a school our size!
- We have an alumni student Bella Kehoe (Grad 2023) competing in the Skills Canada National event in Quebec City!. This is incredible! She won gold as a post-secondary qualifier at Provincials in Edmonton.
- We recently had a visit from MLA Lundy, MLA Boitchenko, and many members of our School Board to emphasize the importance of building a new school in Beaumont. The meeting was very positive!
- The [final exam schedule](#) is posted and available on the school website. All exams this semester are weighted 30% as was the case during the January exam sittings. The ELA and SS Part A's (written portion) will be administered in the gym for the first time this semester.
- Please welcome Mrs. Susanne Stroud (assistant principal), Mr. Max Welz (Science), Mr. D'Javon Brown (ELA/SS), Mrs. Caelin Foulston (Science), and Mrs. Jodi Temple (ELA) to our 2023/24 teaching faculty! A new principal will be announced in the upcoming days!
