The letters will only be regarding diploma/certificate requirements and are completely separate from participation in the commencement ceremony.

VALEDICTORIAN

Valedictorian Criteria

Calculations are based on six academic courses. Courses that are required are as follows:

Column A	Column B
English Language Arts 30-1	Math 30-2
Social Studies 30-1	Math 30-1
French Language Arts 30-1	Math 31
	Science 30
	Chemistry 30
	Biology 30
	Physics 30

All students must include:

- one course from Column A (Top Humanities) and
- one course from Column B (Top Math/Science) and
- four additional courses listed in the table above.

For any diploma course that has been completed, the blended mark will be used in the calculation. For courses that are still in progress, the current course mark will be used. If a student completed a diploma course at another school, the diploma mark will be used in the calculation and not the blended mark.

The average will be calculated at the end of quarter three, using completed course marks and midterm marks for semester two courses. The valedictorian should also represent Ecole Secondaire Beaumont Composite High School's core values and be in good standing with the school.
