

ESBCHS Valedictorian Criteria

The honour of Valedictorian is awarded to the grade 12 student who has achieved the highest academic average for their graduation year. Calculations are based on six academic courses.

Courses that are required are as follows:

Column A	Column B
English Language Arts 30-1	Math 30-1 & 30-1 FI
Social Studies 30-1 & 30-1 FI	Math 30-2
French Language Arts 30-1	Math 31
	Biology 30 & 30 FI
	Chemistry 30 & 30 FI
	Physics 30
	Science 30

All calculations include:

- one course from Column A (Top Humanities) and
- one course from Column B (Top Math/Science) and
- four additional courses listed in the table above.

For any diploma course that has been completed, the blended mark will be used in the calculation. For courses that are still in progress, the current course mark will be used. If a student completed a diploma course in a previous year, that course will be used in the calculation.

The average will be calculated at the end of quarter three, using completed course marks from Semester 1 and midterm marks for Semester 2 courses. The valedictorian should also represent Ecole Secondaire Beaumont Composite High School's core values and be in good standing with the school.

ESBCHS Salutatorian Criteria

The designation of Salutatorian for the graduating class each year is given to a grade 12 student who excels in the following areas, and is voted for by their peers:

- Student is in good academic standing and has acted in accordance with the ESBCHS Code of Conduct
- Student demonstrates strong public speaking ability
- Student is involved in the school beyond the classroom setting (has extra-curricular involvement)
- Student demonstrates friendliness, courtesy, respect for and acceptance of others
